Dromex

2 TONE HORIZON SHIRTS

100% COTTON

DW-2TSHIRTS-OGKH

Description

The Dromex® DW-2TSHIRTS is a 100% cotton, lightweight, soft and breathable short sleeve shirt that is designed for corporate, work, leisure and adventure activities, suitable for all-day wear.

The shirt consists of the following:

- Triple needle stitching on the yoke and armhole for added durability
- Collared neck with 7 button fasteners
- 2 Mitred box pleated breast pockets with bartacked flaps at stress points, hook & loop closure and pen division on left pocket
- Action back pleat at rear of shirt for flexibility and comfort with a hanging loop
- Contrasting colour design for added style
- Dromex® straight cut woven label on placket
- Enzyme washed to provide a softer feel on the fabric

- Also available in 2 tone colour option (navy blue and stone), part number DW-2SHIRTS-NBKH

DW-2TSHIRTS-NBKH

These shirts are suitable for use in the following industries:

- General work environments
- Corporate wear
- Outdoor active wear
- Warehousing
- Agricultural environments
- Construction
- Leisure

Special Instructions

None of the materials or processes used in the manufacture of these products are known to be harmful to the wearer.
The manufacturer has examined under the system for ensuring quality of production by means of monitoring and inspection.
These shirts are designed to accommodate the basic requirements of clothing.
Actual conditions of use cannot be directly simulated in a test environment therefore it is the responsibility of the end user and not the manufacturer or supplier to determine the garment suitability for the intended use.
Keep clear of open flames.
All shirts should be thoroughly inspected before use to ensure no damage is present.

Cleaning & Maintenance

The following suggestions will help keep your garment in good condition:

- Cotton garments can be cleaned by home cleaning or commercial laundering provided all the recommended conditions and settings are adhered to.
- Do not dry clean.
- Do not tumble dry.
- Our recommended cleaning for these garments is as follows:
  - Wash separately with like colours.
  - Pre-treat greasy stains and wash the shirts in warm water with a light cleaning solvent.
  - Do not use bleach or use products containing bleach as fading and reduced fabric strength may occur.
  - Thoroughly rinse the shirt.
  - Do not hang in direct sunlight as this may cause fading.
  - Iron the garment on low heat.
  - When using commercial laundry aids, be sure to read and carefully follow the manufacturer's instructions.
